

The National Association of Benefits and Insurance Professionals (NABIP) represents more than 100,000 licensed health insurance agents, brokers, consultants and benefit professionals through nearly 200 chapters across America. NABIP members service the health insurance needs of large and small employers as well as people seeking individual health insurance coverage.

Information Resource

With our website (www.nabip.org), America's Benefit Specialist (ABS) magazine and several newsletters and broadcast emails at your fingertips, you'll always have the most current industry information.

Legislative Advocacy

NABIP strives to educate officials on both the federal and state levels about the healthcare system and the vital role of the health insurance agent as a consumer resource and advocate. Through a network of key contacts, NABIP cultivates relationships that allow members to clarify issues before bills are written and votes are taken. These relationships are strengthened through actions undertaken by the NABIP Political Action Committee (NABIP PAC).

America's Benefit Specialist Magazine

All NABIP members receive a complimentary subscription to America's Benefit Specialist magazine. ABS is filled with valuable articles and information, including sales tips and best-practice ideas.

Professional Development

Certification programs, professional designation courses, online resources and conferences are just a few ways NABIP helps members develop professionally and personally. Local chapters also host regular meetings where continuing education opportunities are provided.

Compliance Benefits

NABIP's Compliance Corner includes exclusive members-only benefits, such as having specific health reform implementation questions answered. Members also have access to free monthly webinars on timely compliance topics. Members receive the Daily Newswire, a compilation of national news stories about the health insurance industry delivered daily to their inboxes. NABIP's Washington Update, emailed weekly to members, offers a summary of legislative and regulatory activities as well as compliance information.

Member-Only Benefits

From an exclusive agreement with Mercer for agent-preferred E&O insurance to discounts on compliance tools and tech solutions, NABIP offers you the opportunity to save money on items you need to operate your business.

Networking

Interacting with other insurance professionals may be the most beneficial aspect of NABIP membership. Being able to reach out to other professionals, asking questions, meeting sales representatives and learning about products are all invaluable opportunities that membership provides. NABIP also offers online networking resources that connect members across the country.
